A RESEARCH PROJECT
IN THE VISEGRAD REGION

Financial and digital literacy
for a more secure future

Visegrad Project

Enhancing Financial Digital Literacy in the V4:
Building Digital Competencies for Financial Security

Your perspective matters.

Please fill in our anonymous survey on **financial and digital literacy** for **Generation Z.**

Share your experience
Help us understand how young people manage money, use digital technologies and make financial decisions.

Contribute to real change
Your answers support recommendations for schools, universities and policy makers in the Visegrad region.

It only takes a few minutes
The survey is completely anonymous.
